

Introduction to Theology of the Body:

Discovering God's Glorious Plan for Your Life

Through the use of theologian Christopher West's four-part video series and study guide with guided discussion, participants will discover

- ♦ how Pope John Paul II's theology of the body is the answer to the crisis of our times;
- ♦ how Christ points us back to "the beginning" and "original solitude", as we are called to live in Relationship;
- ♦ how Christ also points us to the future, the "beatific vision: and life eternal; and
- ♦ how intertwined the questions of human sexuality are with the ultimate questions all of us ask about life, the mystery of God, and how to attain lasting happiness.
